LECO Supply,

On behalf of Centralia School district I would like to comment on the excellent service we have been given on a consistent basis here in our Maintenance Dept. Your company and staff are reliable, quick, and go above and beyond with what you do. We appreciate your willingness to answer questions and help solve problems or issues when it comes to our janitorial at each school.

LECO has been and continues to be a huge asset to our district and I don't hesitate to highly recommend you to anyone in need of Janitorial supplies.

Thank you!
